

The magnificent Statue Gallery at Wynyard Hall has welcomed guests for over two centuries and is a truly outstanding feature of Wynyard Hall.

In the past two years, Wynyard Hall has undergone a strategic shift, transitioning from a traditional hotel to a venue exclusively focused on hosting weddings, celebrations, meetings, conferences and events.

Renowned for its elegant ambiance, the estate has observed a growing trend among clients recognising its unique suitability for corporate events. Situated on a beautiful 120-acre working estate, Wynyard Hall offers an array of options for events, ranging from intimate private dinners to grand celebrations accommodating up to 750 guests across multiple rooms.

Moreover, corporate clients have the option to reserve a minimum of five out of the 19 recently-renovated bedrooms within the hall, either for their events or for overnight stays.

Wynyard Hall is the perfect location for corporate stays and as it has easy access to major transport links, Teesside International Airport, Teesport as well as the A1 and A19 motorways

Our exemplary track record in hosting high-profile corporate guests is further enhanced by the magnificently refurbished bedrooms and cottages.
